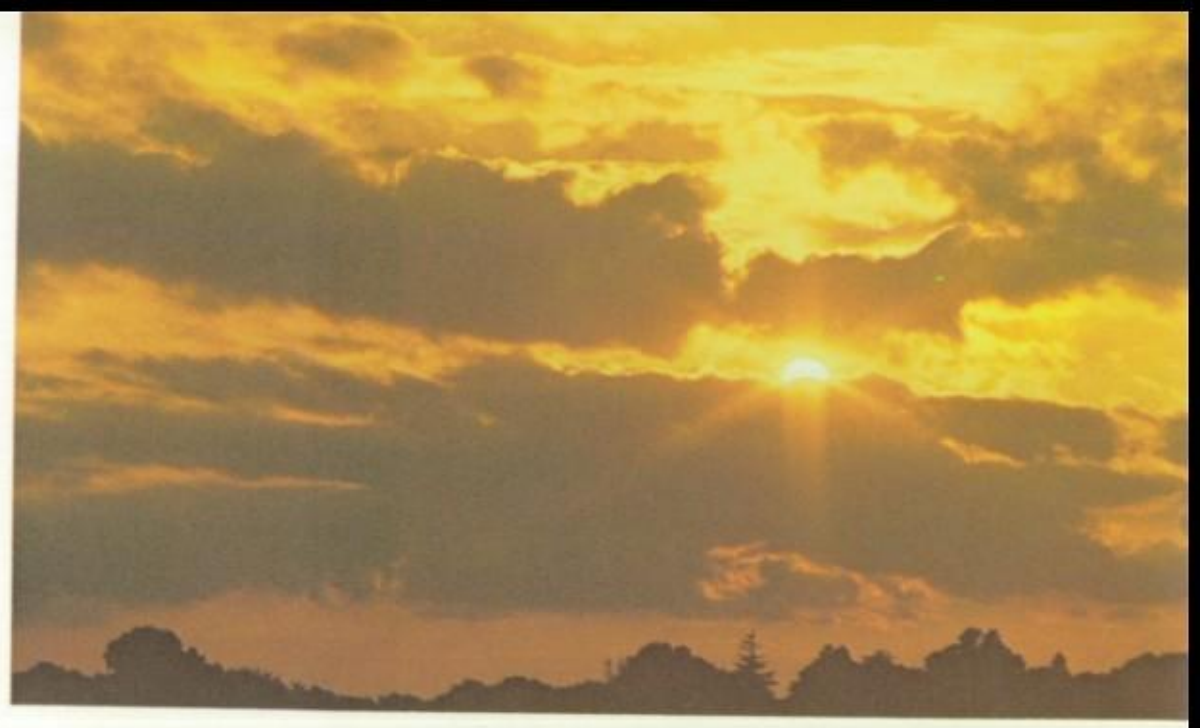
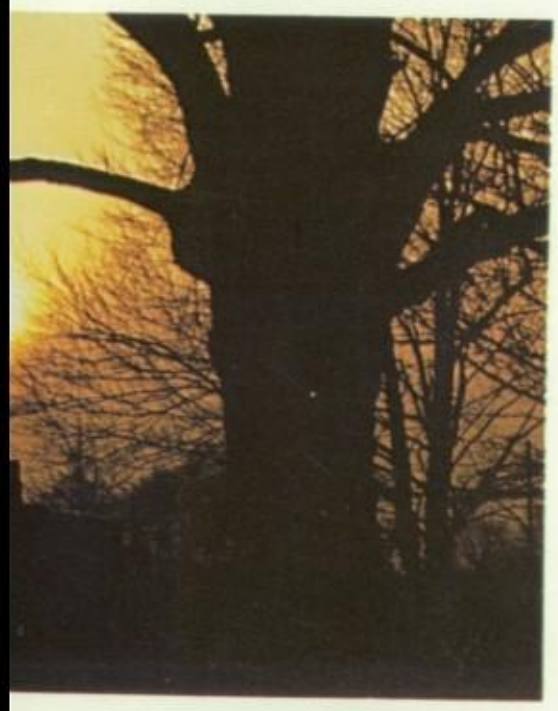
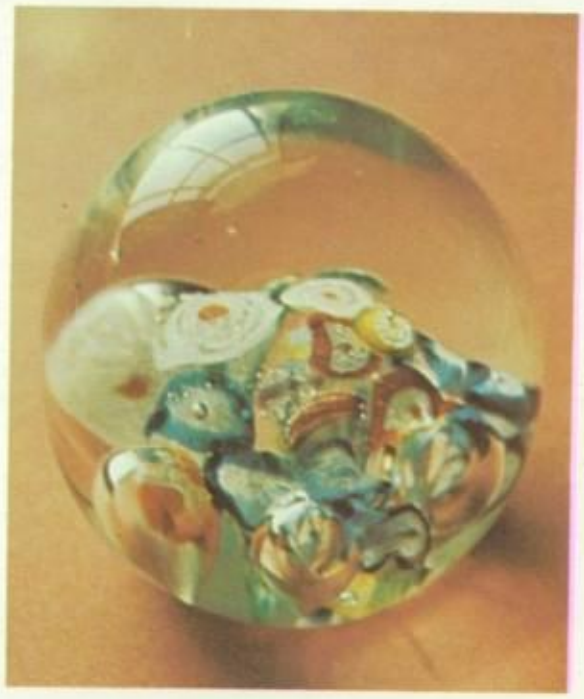
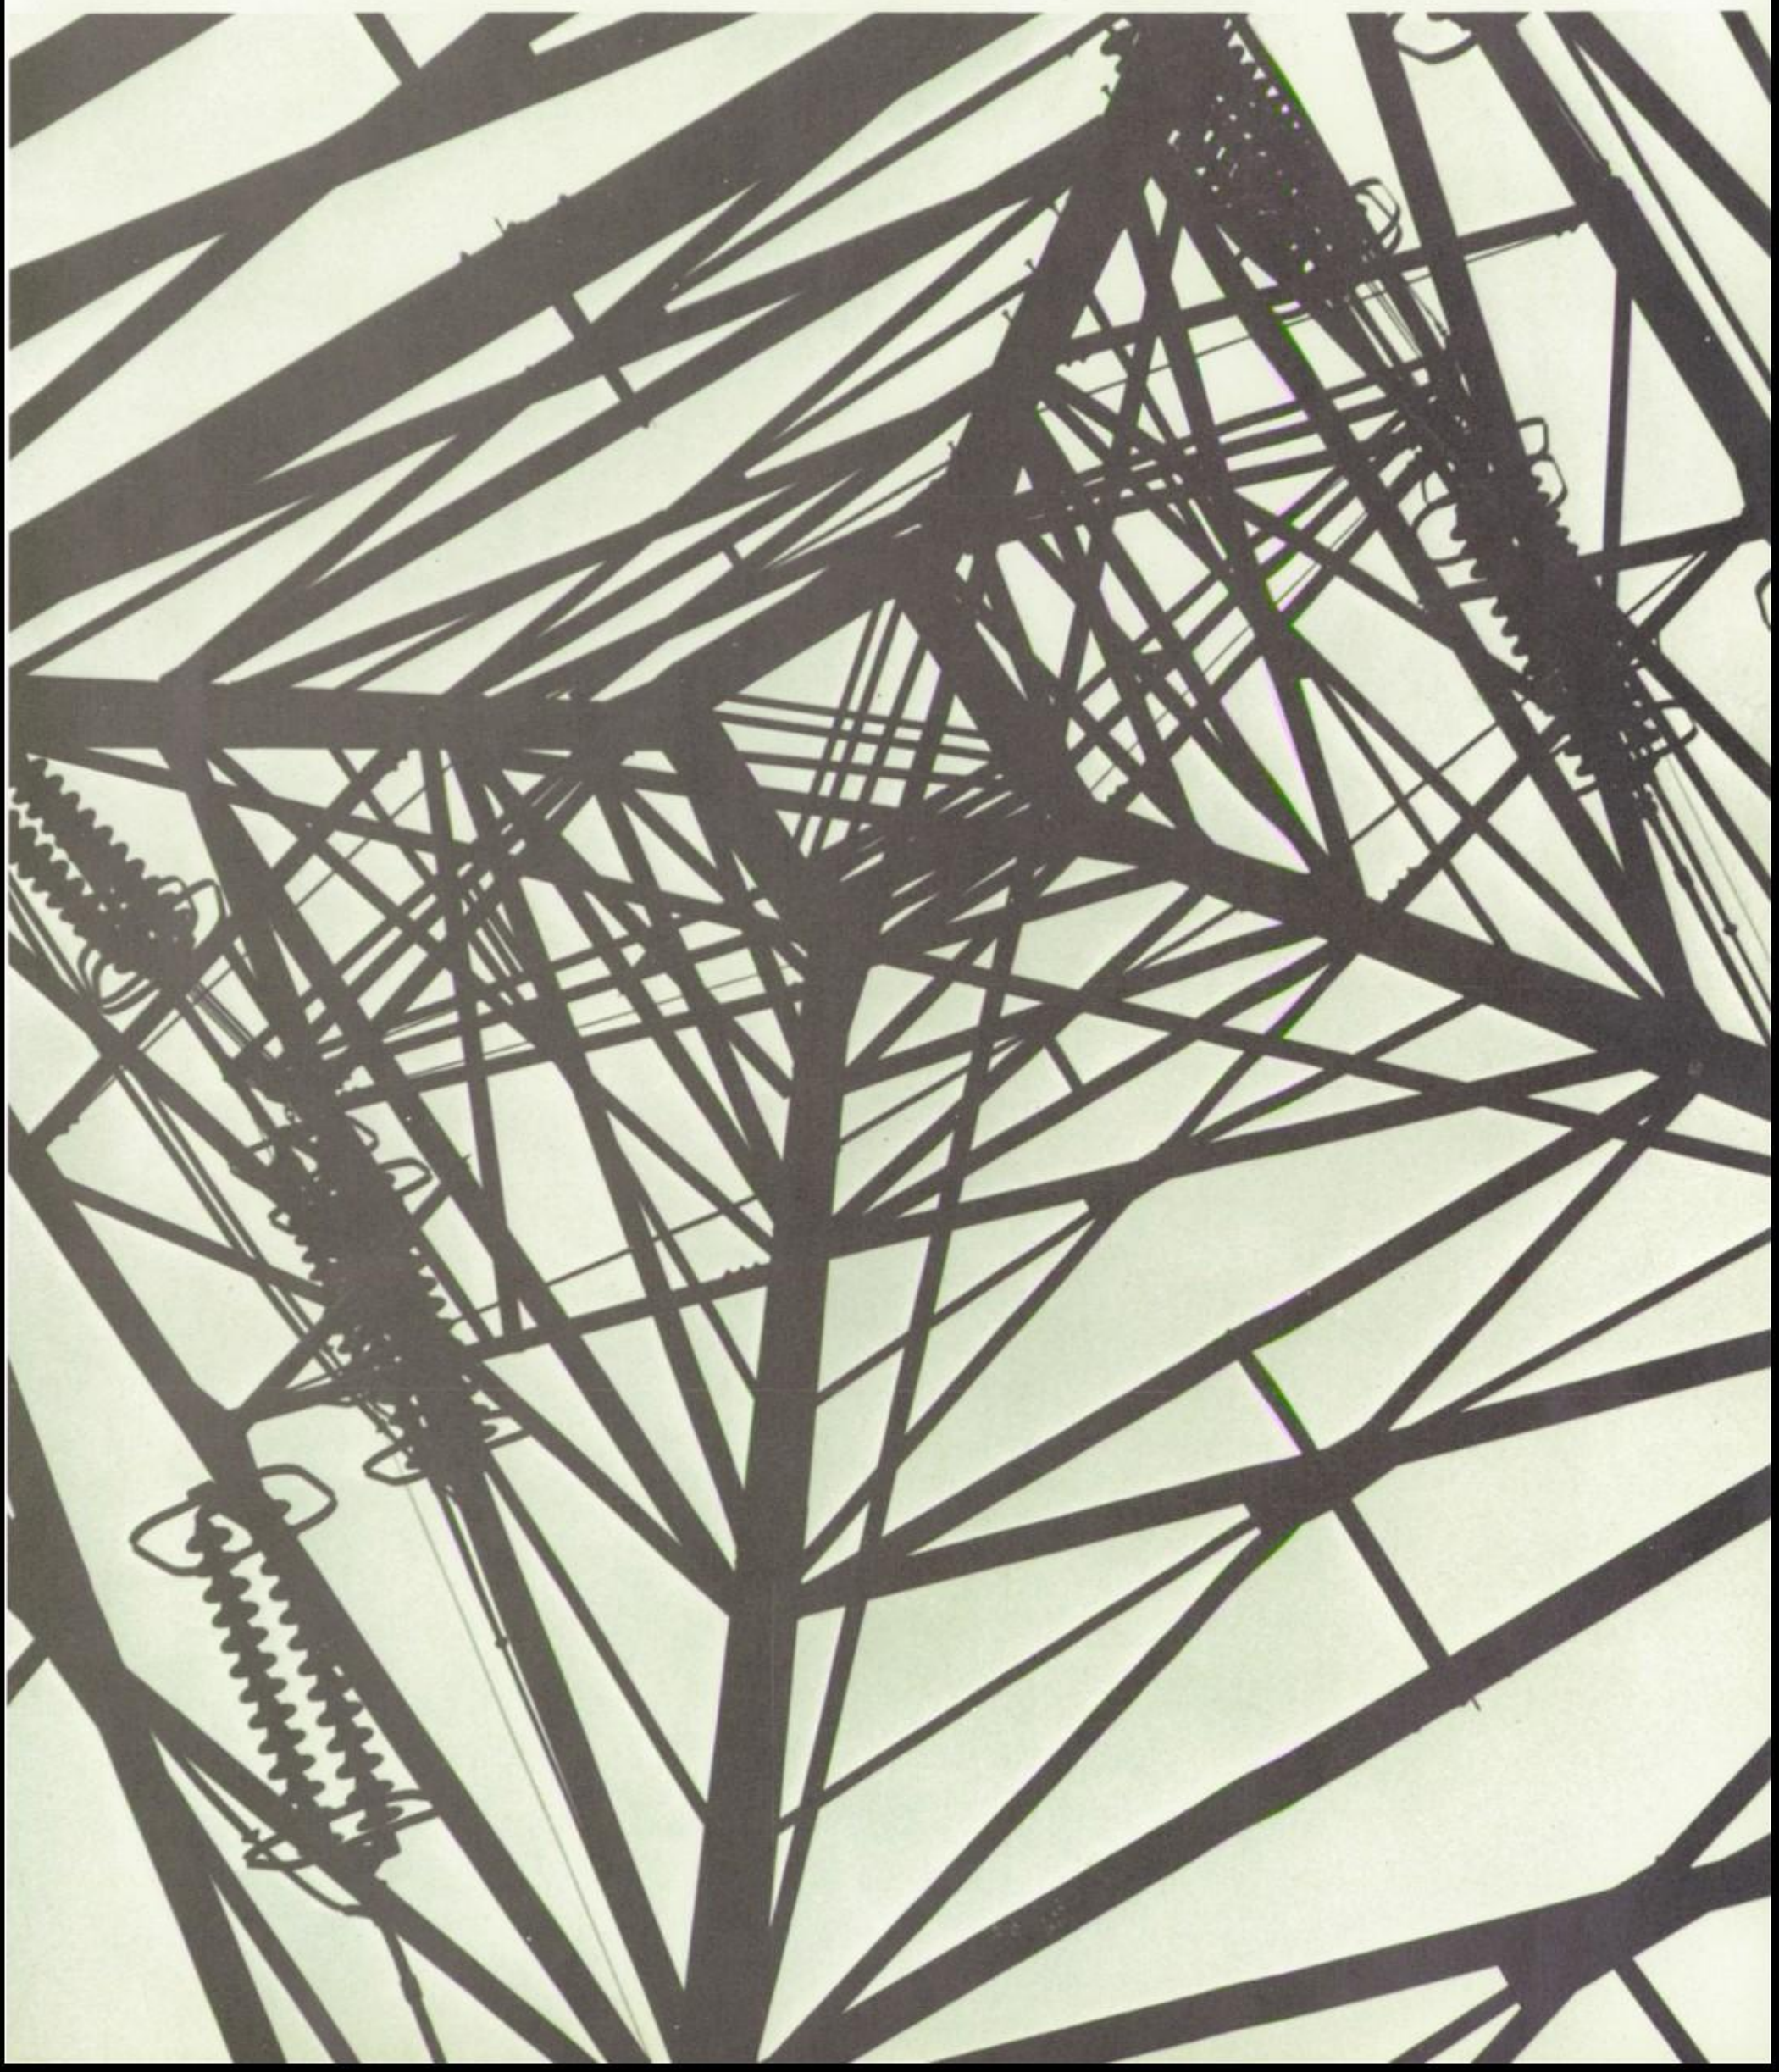
Each day
a little of what we are
touches others

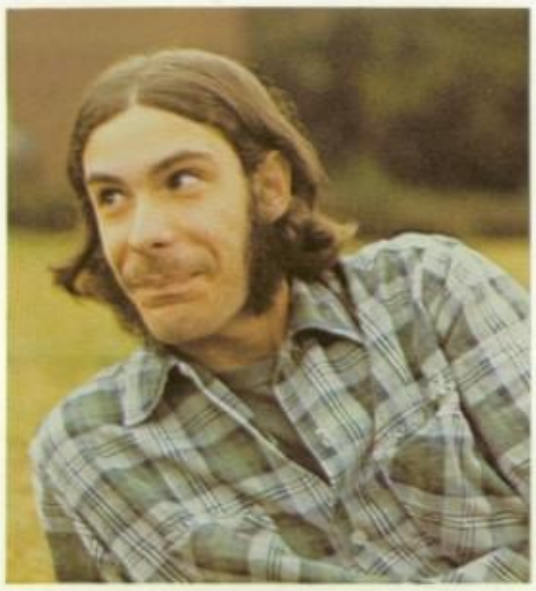


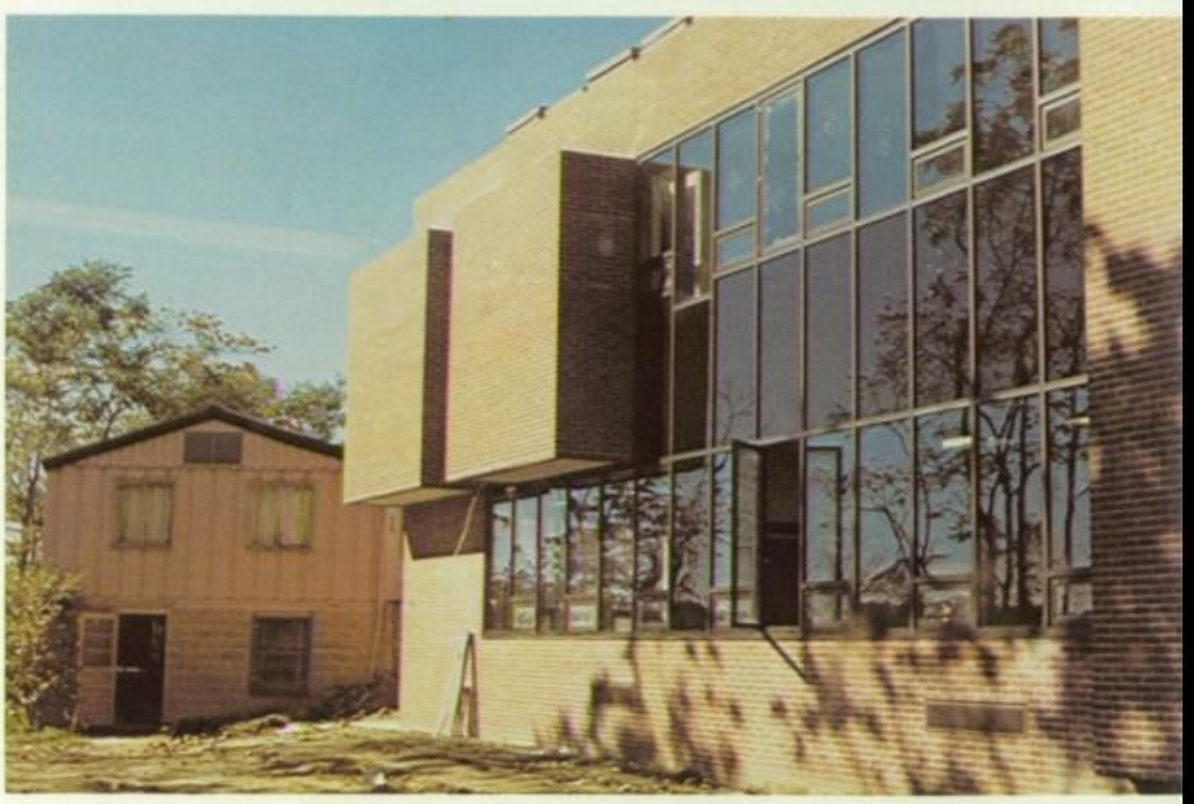


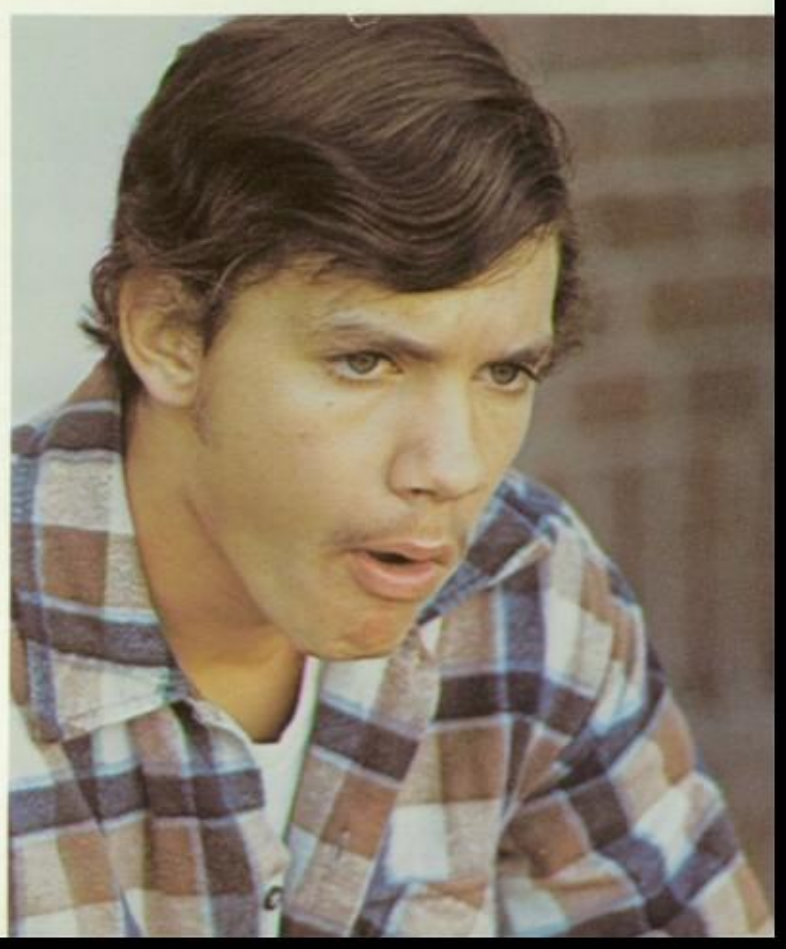


Our impressions and experiences are caught
in the midst of strange reflections







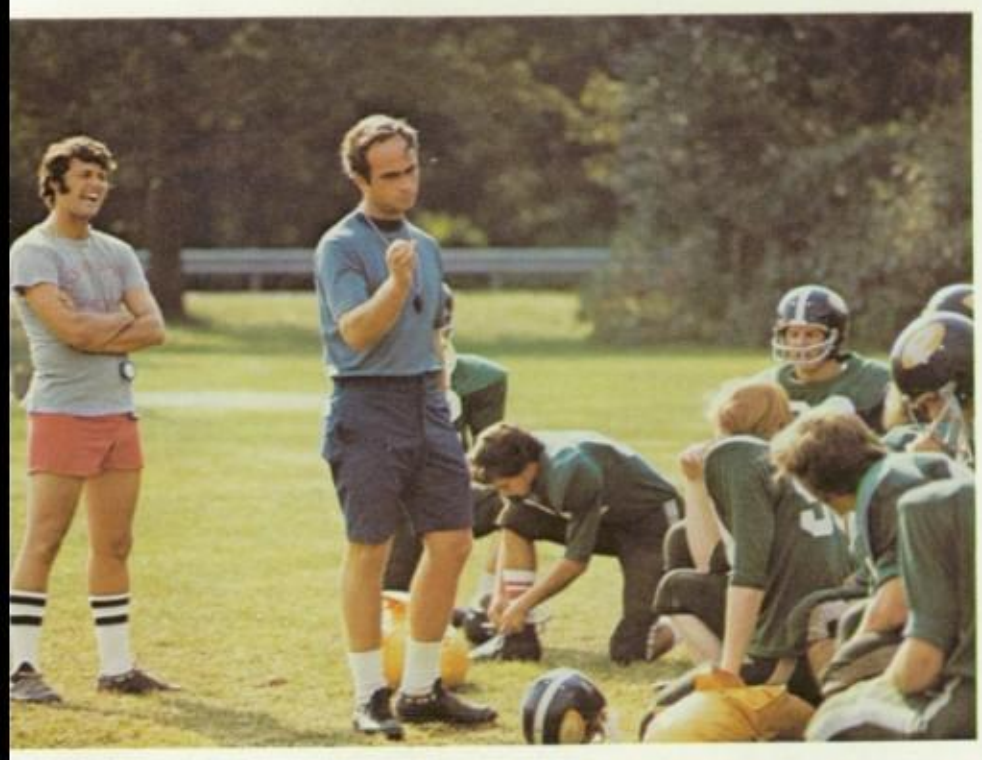


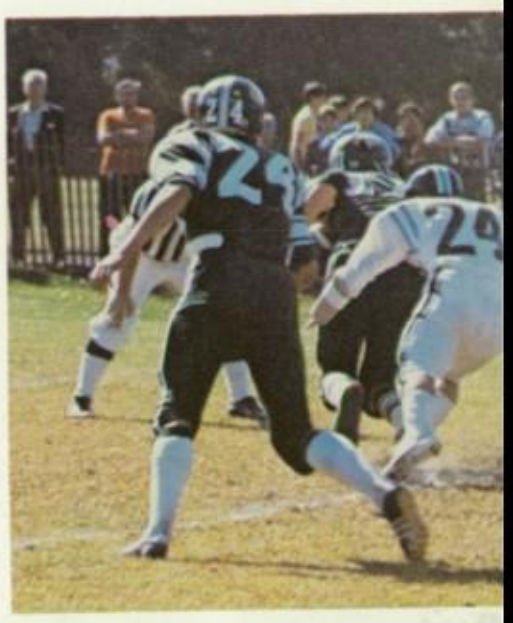
Our
school
has
become
important
to us
with a
certain
pride
all its own

We
are the same
but different

Our victories and near victories

added to our lives with an enriching sense of accomplishment





Each one
striving
for his own
special goal

Yet ultimately achieving the best for all

We've come to know you as a person to admire and respect. You've been a friend to us as well as an instructor, teaching us right from wrong and concerning yourself with the safety of our lives. While you said "no," we said "yes." With great pride and affection we dedicate our 1974 Green Quill to you . . . Charles Young.

Don't walk in front of me;
I may not follow.
Don't walk behind me;
I may not lead.
But walk beside me and be my friend.

This year has been too short for me. It was a wonderful experience to live as an American, to speak his language . . . and forget my Flemish! I discovered how different the American way of life was from mine.

I found a nice family who accepted me as though I were their own daughter. I had a great time in school with my friends and teachers. I learned things that I never could have learned in books.

I know that I have changed a lot and that this stay in the U.S. has made a future for me. Thank you very much for giving me the opportunity to spend this marvelous, pleasant year in Pleasantville High School!

Everyone who has the chance to live for a year in a different country should do so, because it's so instructive and you make a lot of friends . . . and if someone is in Belgium by chance come and say hello to this address:

Dear Everybody,

You have all given me so much, coming to meet me far more than half way and making my life in Pleasantville so much a part of yours. This year, for me, has been one during which I've lived and loved and learned. It's really hard to believe it has gone so fast and I'm leaving.

Thank you all for your friendship and warmth; 1973 has been one of my happiest years, and certainly my most memorable!

I wish you all success in making your lives what you want them to be.

With thanks
and lots a love,
Barbi

We had a great football team this year, but then again so did everyone else. Therefore it was really an accomplishment when we defeated the No. 8 and No. 13 ranked schools in New York State. With a lot of hard work and talent this football team did it all. The fans from P.H.S., as well as from the town, brought forth the spirit and pride that is a tradition in Pleasantville. So it is the same old story after all; we will always be No. 1.

Cross Country

Led by Captain John Stockel, the winner of the Eastern States Meet, the Cross Country Team produced an overall record of 2 and 3. Considering the frequency of injuries and the many new members, the team did very well and is looking forward to an even better record in years to come.

It was a year of rebuilding for this year's basketball team. With our new and talented coach, Tom Caione, the team saw many changes, obviously ones for the better. However, scores do not always show the kind of season it really was. Most of the games could have gone either way in the final seconds and we, unfortunately, seemed to get the bad breaks. But this season did show us the talent we have in basketball and has given us hopeful feelings about next season.

Czuy, C. Corrado, D. Dooley, K. McLaughlin.

The wrestling team proved to be another powerful team at P.H.S., under the leadership of Scott Dieter, Bill Belmont, and Alan Egler. They tied with Irvington for the league championship. Unfortunately the team was hindered by injuries to some key wretlers. However there was never a dull moment in any wrestling match due to excited fans screaming, "PIN" or the strange positions wrestlers sometimes get themselves into.

They ran through the halls, they ran through the snow, and they ran their way to the league championship! It certainly was a successful year for the winter track team; led by the speed of Pete Whallon, John Mimnaugh, and Len Shon. The two mile relay team captured the state title and set a new meet record. The team gave P.H.S. a good reason to be proud, by defeating large schools in meets at the County Center, West Point, and in New York City.

Alone Together

Theres' many ways to reach you
though you're far away.
The little things We'd do,
The little things We'd say.
I miss you like I miss the sun,
I need you everyday.
As I turn 'round to look at you
And you look back my way.

Dave Mason

"In the midst of life we are in death."

In ancient times a ruler in the East sent to his wise men for words that would be true for all time. And after long searching and thought they came back with the words, "This too shall pass." But as truly they might have said, "In the midst of life we are in death."

So it came to pass for Mr. Bomb.
Vigorous, involved, meaningful life came to a sudden end on March 27, 1974.

It is typical of this self-effacing man that his death occured after the close of the school day. For the many fine and wonderful things he did for Pleasantville youth for fifteen years he expected neither credit nor applause nor reward. He expected only to go on doing what he had done so well for so long.

There are places I'll remember
All my life, though some have changed.
Some for ever, some for better;
Some have gone and some remain.
All these places have their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life, I loved them all.
